

Galfre Manual Fold Disc Mowers

Galfre manual fold disc mowers are the best choice for the hay producer who wants the benefits of a wider cut without the need for tractor hydraulics. Quality construction from a trusted Italian manufacturer means years of trouble free service.

Galfre disc mowers feature:

- Fast cutting speeds and absolutely no clogging under any conditions
- Safety breakaway to prevent damage to machine if large obstruction is hit
- Spring-assisted manual lift mechanism is the first in the industry the only disc mower on the market that does not require hydraulics to operate.

• Crop divider on end of cutter bar provides a clear cutting path on each pass through
