

Abbriata Mini Round Balers

An **Abbriata mini round baler** is the perfect choice for the hay or pine straw producer who wants a commercial-duty machine that can bale in ways other balers can't. This baler is great if you have:

- A very small or short, or low horsepower
- Tight spaces a conventional baler can't reach
- Steep slopes or uneven terrain

Abbriata mini round balers have features not available from other brands:

- Central drawbar for trailed operation
- Optional 2-position drawbar allows baling either to the side or behind tractor
- Choice of twine or net binding, with no additional charge for net binding option
- Gathering wheels to allow baling larger windrows
- Adjustable pickup guide wheel and automatic bale counter
