

Flail Mowers

SHOWN: TM62 HYDRAULIC OFFSET FLAIL MOWER

TS52 Hydraulic Offset Flail Mower

DIMENSIONS AND WEIGHT

WEIGHT	562 LBS
CUTTING WIDTH	4ft 4in (52 in)
CUTTING HEIGHT	VARIABLE; 1 in - 4 in

GENERAL

TYPE AND NO. OF BLADES	Y BLADES, 40
BLADE MOUNTING POINTS	20
NO. OF BELTS	2
REAR ROLLER	ADJUSTABLE; 3 POSITIONS
BELT TENSIONER	ADJUSTABLE
GREASE FITTINGS	YES

TRACTOR REQUIREMENTS

MIN. TRACTOR ENGINE POWER	20 HP
TRACTOR HITCH	CAT. 1, 3-POINT
PTO	540 RPM
MIN. TRACTOR WEIGHT	2000 LBS

TM62 Hydraulic Offset Flail Mower

DIMENSIONS AND WEIGHT

WEIGHT	890 LBS
CUTTING WIDTH	5ft 2in (62 in)
CUTTING HEIGHT	VARIABLE; 1 in - 4 in

GENERAL

TYPE AND NO. OF BLADES	Y BLADES, 48
BLADE MOUNTING POINTS	24
NO. OF BELTS	3
REAR ROLLER	ADJUSTABLE; 3 POSITIONS
BELT TENSIONER	ADJUSTABLE
GREASE FITTINGS	YES

TRACTOR REQUIREMENTS

MIN. TRACTOR ENGINE POWER	30 HP
TRACTOR HITCH	CAT. 1, 3-POINT
PTO	540 RPM
MIN. TRACTOR WEIGHT	3000 LBS

Flail Mowers

IBEX

CAN BE OFFSET FOR TOUGH TO REACH MOWING SITUATIONS.

Our offset flail mower is the perfect choice for tough mowing situations that can't be reached with a typical rear-mounted mower. Adjust how far to offset the mower to the right, as well as how much to tilt it up or down, all with the PTO engaged!

CAN BE USED IN THE REAR-MOUNTED POSITION.

Change the way you approach tough mowing jobs forever. It works as a standard rear-mounted flail mower, easily chopping through thick grass, brush, and even small saplings. But where it really shines is in the offset position, allowing you to reach under overhanging branches, into ditches, under fences, along pond banks, and any other place where your tractor won't fit or can't safely travel. It also means you can cut overgrown areas without driving over the material first, meaning a better, more complete cut.

NO REAR REMOTES? NO PROBLEM!

This machine can use your tractor's standard front loader hydraulics, so there is no need for rear hydraulics or tractor modification. You can also adjust the offset on the fly as you cut, so following an irregular fenceline or going around poles is easy. This feature will greatly reduce your need to go back with a string trimmer to finish the job. With the TS52 flail mower, you'll increase productivity and safety, and get more use out of your compact tractor!

HIGH END QUALITY AT A PRICE EVERYONE CAN AFFORD

Ibex flail mowers are of high Italian engineering and manufacturing quality.

- HEAVY GAUGE ITALIAN QUALITY RAW MATERIALS
- LASER WELDED CASE
- REINFORCED UNDERBELLY
- HIGHLY DURABLE 3 POINT HITCH CONSTRUCTION
- ELEGANTLY ENGINEERED AND DESIGNED FOR MAXIMUM DURABILITY AND OUTPUT
- 3 TYPES OF QUALITY BLADE CHOICES: FINISH CUT BLADES, BRUSH CUT Y BLADES AND HEAVY DUTY HAMMER BLADES
- TOP QUALITY BEARINGS WITH GREASE-ABLE FITTINGS
- 2 HEAVY DUTY TRANSMISSION BELTS DESIGNED WITH AN ADJUSTABLE TENSIONER PULLEY
- ADJUSTABLE 3 POSITION REAR ROLLER
